

## Corrected and Improved Version

Thank you for purchasing our product!

You are welcome to use our asset in your project without any issues.

It is strictly forbidden to re-sell or distribute our products without permission.

If you have any questions, please feel free to contact us: <https://monogd.mydurable.com/fr>

SubSurface Scattering...

All packages, models, and prefabs are included. Feel free to experiment with them and use them directly in your project for a quick upgrade.

As a bonus, we've included some cool, helpful scripts. This is my first asset-enjoy!
